May 10, 2013

Below are anticipated construction activities for the week of 5/13/2013.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Restrictions may be in place while downtown brick sidewalk and street paver repair is underway. Locations include around Monument Circle, Market Street from Alabama Street to Capitol Avenue and the Wholesale District (bounded by Pennsylvania Street, Washington Street, Capitol Avenue and South Street). This project is a continuous "as-needed basis" project through the year.

Restrictions may be in place while curb and sidewalk work is underway.

- Ralston Avenue from- 30th Street to 34th Street
- Delaware from 34th Street to Beverly Drive
- Hovey Street from 22nd Street to 25th Street
- College Avenue from 16th Street to 22nd Street
- Keystone Avenue from 23rd Street to 25th Street

Restrictions may be in place for concrete work on Illinois Street from 22nd Street to Fall Creek Parkway then on to 29th Street and 30th Street.

Lane restrictions may be in place for storm sewer installation and curb and sidewalk work at 29th Street and Ruckle Street.

Restrictions may be in place on the following streets while traffic improvements are underway.

- Meridian Street and Louisiana

Restrictions may be in place on 16th Street between Waterway Boulevard and Indiana Avenue. Harding Street between 16th Street and Waterway Boulevard is also closed for construction

Landscaping work along Indiana Ave between 10th Street and 16th Street may cause some restrictions.

Restrictions may be in place on Fall Creek Parkway and Central Avenue and at Fall Creek Parkway and College Avenue for safety while doing concrete and drainage work.

Restrictions may be in place on Lincoln Street for base repair.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

Punch list items are currently being addressed on the Virginia Avenue and Central Corridor (Washington Street) portions of the trail. The J.W. Marriott work at the Southwest corner of West Street and Washington Street is complete.

Traffic on Alabama Street between Louisiana Street and South Street has been restored to two way traffic. The contractor will start removal of the existing eastern-most lane of Alabama Street between Louisiana Street and South Street the first of next week with drainage structures being installed after the removal of the roadway.

There will be restricted access due to alley reconstruction- Alley 625 E from Massachusetts Avenue to St. Clair Street

FRANKLIN TOWNSHIP

The contractor has remobilized to complete the Emerson Avenue Project through the Southport Road Intersection. The contractor has completed milling Emerson Avenue and Southport Road intersection and will soon start resurfacing. Due to the volume of traffic at this intersection, all resurfacing work will take place at night beginning at 8:00 PM and ending at 6:00 AM. The resurfacing work is weather dependent. Traffic should expect delays.

LAWRENCE TOWNSHIP

Restrictions may be in place for curb repair in the Geist area on Twin Pointe Circle.

Winston Drive is closed due to bridge reconstruction and resurfacing.

Restrictions may be in place due to storm water improvements in the area bounded by 21st Street to the north, Tibbs Avenue to the east, 16th Street to the south and Luett Avenue to the west.

There may be lane restrictions on Narragansett Court during pavement repair work.

PERRY TOWNSHIP

The contractor has remobilized to complete the Emerson Avenue Project through the Southport Road Intersection. The contractor has completed milling Emerson Avenue and Southport Road intersection and will soon start resurfacing. Due to the volume of traffic at this intersection, all resurfacing work will take place at night beginning at 8:00 PM & ending at 6:00 AM. The resurfacing work is weather dependent. Traffic should expect delays.

Lane restrictions are in place along Madison Avenue and East Street from Troy Avenue to Hanna Avenue through July 2013.
